TARNEIT'S NEW HOME GROUND

Maple Release

Moments from Unity Park's future school, the Maple Release is ideal for young families who are looking to become part of a community of connection and togetherness. Families will enjoy a short stroll to the school gate and be situated close to the sports ovals at the end of the street, and the \$1m+ community park wonderfully close by. Start something special at Unity Park.

There's a lot to love about this position-perfect neighbourhood:

- 600m to Riverdale Village shopping centre
- Walking distance to proposed Wyndham City Stadium
- 2 minutes from future Riverdale town centre and transit hub
- Every home is within 200m of a park or sporting area
- All lots will come with free landscaping.
